About Us

Shree Shantijin Jain Jagruti Group - Mumbai, incepted in 1991 with a vision of conducting welfare activities for the society. Ever since we came into existence, we continue to be in pace with this vision.

The inspiration and encouragement came from our mentor late Shri Bhagchand Damji Jain who strongly believed in giving back to the society. The beginning was humble and modest, but our zeal to do more with a passage of time was tall. Today, this journey has reached the milestone of 25 years, the silver jubilee.

These 25 years of Shantijin have been most illustrious and remarkable. For, we got several opportunities to serve the needy through numerous charitable and social activities: community marriages, matchmaking for bachelors, educational assistance, medical aids, jeevdaya or compassion towards living beings, religious and humanitarian services and so on.

With the sun rising every day, we see it as an opportunity rising to do our bit for others!
